

Light Show Christmas Trees

Add classic **Light Show effects** to the different tree styles with three colors of LED lights, or go full motion graphics capable with a new **RGB lighting package**. Light Show tree toppers are also available in plain or manzanita. All of these options are an additional cost to the plain price of any style Giant Christmas tree.

The Arbol Gallo in Guatemala City, Guatemala stands 145' tall to the top of the "Gallo" rooster Logo. This LED Light Show Tree consisted of over 1.75 million LED mini lights and is the largest of it's kind in the entire world!
