

Barrango

Oversized Ornaments

Barrango's selection of giant oversized ornaments is amazingly vast and includes nearly anything you can dream up. From the classic ball ornaments to shining stars and beautiful bells, we have the perfect décor for your tree, wreath, and garland or any element to your display. All ornaments come glittered in any of our 11 available colors including red, green, lime green, blue, sky blue, purple, magenta, copper, bronze, silver or gold. A metallic leaf finish is available in bronze, silver and gold. A painted finish in any color of your choosing is also available. The basic glitter finish includes the glitter in the resin as opposed to a simple top coat. You won't worry about the glitter flaking off on these items. All ornaments are durable for high traffic indoor or outdoor displays. The ornaments and colors will remain vibrant all season long!

One of our more popular options is the ornament ball stacks. These can be displayed with 4 ornaments stacked or a sizeable 10 stack! Both make a stunning impression for your display and a picturesque background.

Many of the ornaments offer the option to include your logo or holiday message! This is the perfect way to brand your business and offer a seasonal greeting to your customers. (Additional costs for logos and messaging will apply.)

Don't forget that every ornament is 100% made in the USA. Our staff will make sure your items are packaged and delivered safe and secure so everything arrives intact. We'll be with you every step of the way to make sure that installation and breakdown of your display goes smoothly.

Remember that Barrango can customize your décor and display to virtually any vision you might have. Our options are expansive but if you don't see what you're looking for please call us to discuss. Our goal is to give our clients the very best experience as well as a visually memorable display that resonates with your customers for years to come.
