Fiberglass Items

There are no limits to our imagination at Barrango. That becomes clear as you see the many options we have for decorative fiberglass display items. From unique toys to giant Nutcracker and Toy Soldiers, we manufacture the items you need to bring the spirit of the season to your center or venue.

How about creating your own Toyland filled with [illegible] gifts all wrapped to go with bows or a classic "gift" teddy bear? Or how about a Candyland theme by dressing up candy canes and lollipops with gum drops to complement your every whim? The theme is endless and so are the options. Add during Spring the giant egg multi-basket at use. You can also select from trees, and signs that are available in non-painted forms to add themed to your display. And we have everything to set the perfect stage for all-in-1 use including backdrops for photo images or a life size stage.

Don't forget that every piece is 100% made in the USA. Our staff will make sure your items are packaged and delivered safe and secure so everything arrives intact. We'll be with you each step of the way to make sure that installation and breakdown of your display goes smoothly.

Remember that Barrango can customize your décor and display to virtually any vision you might have. Our options are expansive but if you don't see what you're looking for please call us to discuss. Our goal is to give our customers the very best experience as well as a visually memorable display that resonates with your customer.
