Fiberglass Items

There are no limits to our imagination at Barrango. That becomes clear as you see the many options we have for decorative fiberglass display props. From vintage toys to giant Nutcrackers and Toy Soldiers, we manufacture the items you need to bring the spirit of the season to your center or venue.

How about creating your own Toyland filled with classic toy blocks, giant gift wrapped boxes with bows or a classic giant teddy bear? Or how about a Candyland theme by adding a candy cane tree filled with gum drops or ornaments dangling from every branch? This tree can double as an Easter Egg tree during Springtime giving you multi-seasonal use. You can also select from bears and elves that are available in animated forms to add interest in your display. And we have everything to set the perfect stage for Santa Claus including beautiful gold thrones or a life size sleigh.

Don't forget that every piece is 100% made in the USA. Our staff will make sure your items are packaged and delivered safe and secure so everything arrives intact. We'll be with you every step of the way to make sure that installation and breakdown of your display goes smoothly.

Remember that Barrango can customize your décor and display to virtually any vision you might have. Our options are expansive but if you don't see what you're looking for please call us to discuss. Our goal is to give our customers the very best experience as well as a visually memorable display that resonates with your customer.
