

Christmas Tree Options

Customize your giant feature tree by making it a **walk-through tree** with a tunnel or a space inside to see Santa Claus. Or simply fill a giant Christmas tree with **silk poinsettias** - we can wind the silk flowers right into our branch system eliminating any watering needs! Also check out our different style **Christmas Tree Toppers**, from Classic Stars to Lighted Star Bursts.

Walk-Through Flocked Long Needle Pine Tree

Add "snow" flocking to any piece of greenery for 30% additional.
