Spring & Easter Items

As the season gets warmer and brighter, it's important to add the right decor to your display that's inviting and picturesque to your customers. Barrango has you covered with an abundance of decor from beautiful spring birds to colorful tropical flowers and parrots. Or you can create an "Under the Sea" theme in your location for something truly unique. There you can include colorful sea shells, coral, fish and other underwater life. We have decorative figurines as well as giant flowers and candles, perfect for any indoor or outdoor celebration. Easter is also here in our decor options with a variety of bunnies and colorful eggs. You can add to these by creating a large Easter display complete with bunny pedestals and wreaths with Easter Eggs on top of each. We also have added Mercantile to our Spring and Easter collection. Select from baskets filled with our decorative Easter Eggs or beautiful beans decorated by the season. Baskets and beans are available in multiple sizes. Another large display choice is our themed houses, barns or garages. Add life and a little magic to the display by incorporating butterflies and other farm animals. Barrango accents can be used or omitted.

Don't forget that every piece is 100% made in the USA. Our staff will make sure your items are packaged and delivered safe and secure to everything across state. We'll be with you every step of the way to make sure that installation and breakdown of your display goes smoothly.

Remember that Barrango can customize your decor and display to include any extra you might have. Our options are expensive but if you don't see what you're looking for please call us to discuss. Our goal is to give our customers the very best experience as well as a visually memorable display that resonates with your customer.
